

We Have This Hope

Jason Morgan, Main Pavilion

It was the accuracy of Bible Prophecy that led Jason to see Jesus Christ as his personal Saviour. Born and raised in New Orleans, Jason pursued a career in competitive bodybuilding before stumbling on a Book that would forever change his life. Now inspired by the validity of the Third Angel's Message, he is committed to proclaiming through voice and pen the final message for this time. Having served in full time evangelism

for the past 17 years, Jason's passion for soul winning and the restoration of the gospel continues to grow. Jason currently lives in Montana, USA and works with the North Pacific Union Conference and enjoys snowboarding, backpacking, travelling and spending time with his family.

Fred Nahirny, Youth Speaker

Fred Nahirny was born and raised in the lower mainland of BC. As a troubled youth who never considered himself academic, he was prone to taking the hard road in life. After spending his teenage years in alcohol and frivolous lifestyle, severe depression began to take over. With his life going nowhere fast, he listened to his father who invited him to Dr. Nedley's Depression Recovery Program. The program changed his life. Soon afterwards he gave his heart to Jesus and met the love of his life (now wife) Francis. The two have just completed 4 years at Burman University, where he acquired his BA of Religious Studies. Confident in his new gifts of the Spirit, he is working with youth so as to be a positive influence for them.
